

THE 8 MOST IMPORTANT REASONS TO ABANDON THE CITY OF STRASBOURG

- 1** Strasbourg seat costs over a half-billion euros per legislative period
- 2** Yearly CO2 emissions equivalent to that of 4,000 cars per year – at least 20.000 tons
- 3** 4,100 EP staff based in Brussels; 100 in Strasbourg
- 4** Strasbourg buildings are empty more than 300 days per year
- 5** 6 decades spent debating the topic without a solution
- 6** 6 lawsuits filed by France and Luxembourg to block a single seat
- 7** only democratic parliament in the world that does not decide for itself where to sit
- 8** Strasbourg building could be converted into a luxury homeless shelter or University for losers

**That is why we are giving the plenary hall in Brussels the name
"Strasbourg"**
